Commerce 2024 is a comprehensive guide to the future of commerce. Written by leading business strategist Bharat Anand, this book provides insights into the key trends that will shape the way we buy, sell, and interact with businesses in the years to come.

In Commerce 2024, Anand argues that the future of commerce is not about technology, but about people. He explores the changing needs and

expectations of consumers, and provides businesses with strategies for meeting those needs.

Anand also discusses the impact of technology on commerce. He argues that technology is not a threat to businesses, but rather an opportunity to innovate and create new value for customers.

Commerce 2024 is an essential read for any business leader who wants to understand the future of commerce and thrive in the digital age.
