The book begins on Mother's Day, 1999, when Dennis McDougal's mother, Peg, is killed in a car accident. Dennis and his two siblings, Michael and Karen, are devastated. They can't believe that their mother is gone, and they don't know how they're going to go on without her.

In the days and weeks that follow, the McDougal family is consumed by grief. Dennis is angry and withdrawn. Michael is guilt-ridden because he

was driving the car when his mother was killed. Karen is lost and alone. The family is torn apart by their pain, and it seems like there is no way to put the pieces back together.

But as time goes on, the McDougal family slowly begins to heal. They learn to cope with their grief, and they find ways to honor their mother's memory. Dennis writes a book about his mother, and Michael becomes a grief counselor. Karen starts a foundation to help other families who have lost loved ones.

Dennis McDougal's *Mother's Day* is a powerful and moving story about the power of love, loss, and healing. It is a story that will stay with you long after you finish reading it.
