The library's collection is divided into three main sections: the American Revolution, the Civil War, and World War II. The American Revolution section contains over 15,000 volumes, including many rare and first-edition books. The Civil War section contains over 25,000 volumes, including a large collection of regimental histories. The World War II section contains over 50,000 volumes, including many official government documents and personal narratives.

The Yale Library of Military History is a valuable resource for students, scholars, and anyone interested in the history of warfare. The library's staff is always willing to help visitors find the materials they need, and the library's website provides access to a wealth of online resources.

Disaster into Triumph: 1942-45

Disaster into Triumph: 1942-45 is a four-volume series that tells the story of the United States' involvement in World War II. The series was written by a team of historians led by John Keegan, and it is based on extensive research in the Yale Library of Military History.

The first volume of the series, Disaster, covers the period from the attack on Pearl Harbor to the Battle of Midway. The second volume, Triumph, covers the period from the Battle of Guadalcanal to the end of the war. The third volume, Betrayal, covers the period from the Yalta Conference to the Potsdam Conference. The fourth volume, Outbreak, covers the period from the beginning of the Cold War to the Korean War.

Disaster into Triumph is a magisterial work of scholarship that provides a comprehensive and nuanced account of the United States' role in World War II. The series is essential reading for anyone interested in the history of this pivotal conflict.
