By Denise Dailey

Leaving Guanabara is a captivating novel by Denise Dailey that explores the complexities of love, loss, and redemption. Set against the backdrop of Brazil's vibrant culture, this story follows the journey of a young woman named Ginny as she navigates the challenges of a forbidden love, a tragic loss, and the search for her true identity.

Ginny is a young American woman who travels to Brazil to visit her aunt and uncle. While there, she meets and falls in love with a handsome Brazilian man named Carlos. However, their love is forbidden, as Carlos is already engaged to another woman. Despite the obstacles, Ginny and Carlos begin a secret affair.

Their affair is short-lived, however, as Carlos is tragically killed in a car accident. Ginny is devastated by his death and returns to the United States,

heartbroken and lost. She tries to move on with her life, but she can't forget Carlos or the love they shared.

Years later, Ginny returns to Brazil to try to find closure and to learn more about Carlos's life. She meets his family and friends, and she learns about the man he was. She also discovers that he had a daughter, a young girl named Maria.

Ginny forms a bond with Maria, and she begins to heal from the pain of Carlos's death. She also learns that she is not alone in her grief. Maria's mother, a woman named Isabella, also loved Carlos. Isabella tells Ginny that she always knew about Ginny and Carlos's affair, and that she never resented Ginny for it.

Ginny's journey to Guanabara is one of love, loss, and redemption. She learns to forgive herself for the past, and she finds peace in the present. She also discovers that love can never truly be lost, and that it can heal even the deepest wounds.

About the Author

Denise Dailey is a prolific American author of romance novels. She has written over 100 books, many of which have been translated into multiple languages. Her books have sold over 30 million copies worldwide.

Dailey is known for her heartwarming and emotionally charged stories. Her characters are often strong and independent women who overcome adversity to find love and happiness. Her books have been praised for their realism, their humor, and their ability to capture the emotions of her readers.
