Musashi was born in Harima Province, Japan, in 1584. He began training in swordsmanship at a young age, and by the time he was 13 years old, he had already killed his first opponent in a duel. Musashi continued to fight and win duels throughout his life, and he is said to have never been defeated in a single combat.

In addition to his skill as a swordsman, Musashi was also a philosopher and strategist. He wrote *The Book of Five Rings*, a treatise on martial arts that is still studied by martial artists today.
