

The Healthcare Leader's Guide to Action, Awareness, and Perception, Third Edition: A Comprehensive Review

The healthcare industry is undergoing a period of rapid transformation. The Affordable Care Act, the rise of consumerism, and the increasing focus on value-based care are just a few of the factors that are driving change in the industry. In order to succeed in this new environment, healthcare leaders need to be able to understand the key drivers of change and to lead effectively in this rapidly evolving environment.

The Healthcare Leader's Guide to Action, Awareness, and Perception, Third Edition is an essential resource for healthcare leaders. This comprehensive guide provides a framework for understanding the key drivers of healthcare change and offers practical advice on how to lead effectively in this rapidly evolving environment.

The Healthcare Leader's Guide to Actions, Awareness, and Perception, Third Edition (ACHE Management)
